# Why Sponsor Abilities Centre Charity?

Abilities Centre is the Charity for people of all abilities!

Expand your business and support a great cause! Advertise with Abilities Centre and make purchases with purpose. Help support our mission to create a barrier-free world.

## Our Mission

The Abilities Centre enhances the quality of life and citizenship for people of all ages and abilities by providing inclusive programs and services of the highest quality and value. We give people the power to achieve their goals through sports, arts, life-skills programs and research and provide a welcoming, positive, energized environment in a state-of-the-art facility.

## Our Vision:

The Abilities Centre is the world's most accessible, inclusive and barrier-free community hub and a model of inclusion for other communities. We educate and inform people, through research and innovation, on the need to celebrate the diverse backgrounds and conditions from which we all come.

“

I just wanted to thank you so much for everything you did to get Jack and myself our Memberships. Seven years later, I still struggle with the whole single parent thing. I just never want my son to have to do without because I am single. I was able to bring Jack on Thursday evening and he loved it he can't wait to go again!
